## Club Jerseys Are Coming!

We've checked with the manufacturer, and will have sample jerseys available soon to allow you to check for size. The jerseys are the same design as the current ones, but will now be only \$45 for a short sleeved jersey.

FedEx is predicting an ETA of this Wednesday in Annapolis, so I expect to have the samples at the Saturday ride by about 7:30 so you can check for sizes. We'll keep them for a couple of weeks in case you're not riding Saturday.

## Pool Party A Success!

About 10 or 15 showed up for the ride, and we had nearly 30 at one time or another in and around the pool!

The rain held off, food was great, the pool was wonderful, and the plenty of great food. All the adults and the kids had a ball (and once in the water, it wasn't all that easy to tell them apart!)

Thanks to Mike and Betty Steiner for hosting this!
