Club Dues Increased

The club dues have been only \$10 (for a single email membership) for many years. After a bit of discussion about possible new rides and parties that might result if dues were increased, it was unanimously agreed to increase the dues to \$20 for a single and \$30 for a family membership. All club communications in the future will be via email, so the hard-copy memberships are being discontinued.

Christmas Party a Great Success!

Some of the club members that have been around since the early days of the ABC were present – see Ruth, Hugh, Donna, Bob, and Mike at the left.

And, there were *Door Prizes* – lots of them.

Grand Prize Winner

Tina Frye was the winner of a genuine Dodge Original – a clock mounted in a swirl of bicycle chains. Just the thing to remind her it's time to go ride.

And a Big ABC Thank You To Our Door Prize Donors!
